Item 5:
King Conservation District Rates Proposal

**DISCUSSION**

SCA Staff Contact
David Hoffman, SCA Executive Director, david@soundcities.org, 206-910-9246.

SCA King Conservation District Advisory Committee Members
Council President/KCD Chair Vanessa Kritzer, Redmond; Councilmember Victoria Schroff, Maple Valley; Councilmember Cara Christensen, Snoqualmie Valley; Councilmember Brenda Fincher, Kent (alternate); Councilmember Debra Srebnik, Kenmore (alternate); Councilmember Amy Falcone, Kirkland (alternate)

**Update**
King Conservation District (KCD) is a publicly funded, nonregulatory, special purpose district that depends on the support of our communities and cooperators to ensure our continued ability to improve King County's clean water, healthy forests, and local food.

Since 2013, KCD has been primarily funded through a rates and charges interlocal agreement with King County. The current agreement expires at the end of 2024 and KCD is working with stakeholders to ensure its renewal.

PIC will be joined in May by Rosa Mendez, Executive Director of King Conservation District, who will provide a briefing on the renewal process and field questions about the same. We’ll also be joined by members of the KCD Advisory Committee.

**Background**
King Conservation District (KCD) is funded primarily by a per-parcel Rates and Charges fee. All of unincorporated King County and 34 cities are members of King Conservation District. Cities NOT in KCD’s service area include Enumclaw, Federal Way, Milton, Pacific and Skykomish.

KCD receives some funding from the Washington State Conservation Commission. They also receive grants from other state, federal and local sources such as the Urban Resources Partnership, Washington Department of Ecology, the Conservation Commission Research Grant and King County Community Development Block Grants. Although KCD is authorized by the state legislature, it is not a state agency and does not receive an ongoing operating budget from the state’s General Fund.

Since its inception in 1949, KCD’s mission has been to promote the sustainable use of natural resources through voluntary stewardship in King County.
The District provides education, technical assistance, and cost-sharing to private residents in forest management, farm conservation planning, wildfire preparedness, and streamside and shoreline enhancement. They also provide grants and work with cities and other organizations to support community gardens, urban forest canopy, and local food systems. KCD’s work is guided by science-based standards and Best Management Practices (BMPs) set by the Natural Resources Conservation Service. District operations are overseen by the board of supervisors and the Washington State Conservation Commission. The KCD Advisory Committee also brings together regional stakeholders to provide input and guidance on our programming and efforts.

Regional Board and Committee Appointments

**ACTION**

**SCA Staff Contact**
David Hoffman, Executive Director, david@soundcities.org or 206-910-9246

**PIC Nominating Committee Members**
Mayor Kelli Curtis, Kirkland, Chair (North Caucus); Mayor Troy Linnell, Algona (South Valley Caucus); Councilmember Amy McHenry, Duvall (Snoqualmie Valley Caucus); Councilmember Ruth Pérez, Renton (South Caucus)

**Action**
To recommend the SCA Board of Directors approve appointment to represent SCA on regional boards and committees as recommended by the PIC Nominating Committee on May 1, 2024.

**Background**
The PIC Nominating Committee met on May 1 and voted to recommend the committee appointment provided below.

**Recommended Action:**
The PIC recommends the SCA Board of Directors approve the following:
Appointment of Annette Ademasu, Shoreline, to fill a vacant alternate position on the Affordable Housing Committee.

The Nominating Committee consists of one representative of each SCA Regional Caucus (South, North, South Valley, and Snoqualmie Valley) and is appointed annually by the Chair of the PIC to make recommendations to the PIC on appointments. The PIC in turn makes recommendations on regional board and committee appointments to the SCA Board of Directors.

Per SCA Bylaws, appointees to major regional committees shall be selected from among elected officials otherwise qualified to serve in such positions, in accordance with the terms of the enabling documents creating such boards and committees. Appointees shall represent the positions of all SCA member cities. Equitable geographic distribution shall be considered in recommending appointments to the Board of Directors.

SCA did not receive enough applications to fill all committee vacancies available. The following positions remain open:
- Domestic Violence Initiative Task Force (2 Alternates)
- Joint Recommendations Committee (1 Member; 2 Alternates)

SCA PIC May 8, 2024
Item 6
• Local Hazardous Waste Management Program (LHWMP) Management Coordination Committee (MCC) (1 Alternate)

Another call for nominations to fill these remaining vacancies will be sent out at a later date, to be determined. Members are encouraged to reach out with any questions.

Committee Descriptions
Information on all of the regional boards and committees to which SCA has appointing authority, including members and committee descriptions, can be found on the SCA Website here.

Domestic Violence Initiative Regional Task Force
The Domestic Violence Initiative (DVI) Regional Task Force focuses on improving the effectiveness of the region’s legal response to domestic violence and improving operations that interfere with victim safety and offender accountability. The DVI Regional Task Force was formed by the King County Prosecuting Attorney and the Coalition Ending Gender-Based Violence (formerly the King County Coalition Against Domestic Violence). The DVI Regional Task Force is comprised of leaders of organizations involved in our region’s legal response to domestic violence, including public health, community-based organizations, and civil and criminal justice agencies.

Joint Recommendations Committee
The Joint Recommendations Committee (JRC) was created through Interlocal Cooperation Agreements (ICAs) that formed the King County Community Development Block Grant (CDBG) Consortium and the King County HOME Investment Partnerships (HOME) Consortium. The JRC makes recommendations to the King County Executive on policy matters concerning the CDBG and HOME programs, including the Consolidated Housing Plan and related plans and policies. The JRC also reviews and makes recommendations on the projects and programs to be funded with the CDBG and HOME program funds and monitors funds to ensure that all geographic areas and participating jurisdictions benefit fairly over a specific time period.

A second ICA forms the Regional Affordable Housing Program (RAHP) and grants authority for the RAHP to the JRC. The RAHP administers document recording funding, which the legislature authorized to be utilized for low-income housing. The city of Seattle joins the JRC for RAHP items.

Local Hazardous Waste Management Program Management Coordination Committee (MCC)
The Local Hazardous Waste Management Program (LHWMP) in King County is a multi-jurisdictional program whose mission is to protect and enhance public health and environmental quality throughout King County by reducing the threat posed by the production, use, storage, and disposal of hazardous materials. The LHWMP is implemented through a multi-jurisdictional Management Coordination Committee (MCC). The MCC sets the Program’s strategic direction, guides implementation of policies, and oversees the Program’s operations, including development of annual budgets and work plans. The MCC was established by the
Seattle City Council (SMC 10.76) and the King County Board of Health (BOH Code 2.08) and is recognized as the Program governing entity by the Washington State Department of Ecology.

Next Steps
Recommendations from PIC will be considered by the SCA Board at its meeting on May 15. For more information, contact SCA Executive Director David Hoffman at david@soundcities.org or 206-910-9246.

Regional Alignment of Asylee and Refugee Crisis

**DISCUSSION**

**SCA Staff Contact**
David Hoffman, SCA Executive Director, david@soundcities.org, 206-910-9246.

**SCA Board of Directors**
SCA President and Mayor Mary Lou Pauly, Issaquah; SCA Vice President and Mayor Traci Buxton, Des Moines; SCA Treasurer and Mayor Armondo Pavone, Renton; SCA Secretary and Councilmember Wendy Weiker, Mercer Island; SCA Immediate Past President and Mayor Jan Molinaro, Enumclaw; Mayor Dana Ralph, Kent; Mayor Troy Linnell, Algona; Councilmember DeSean Quinn, Tukwila; Mayor Katherine Ross, Snoqualmie; Councilmember Amy Falcone, Kirkland; SCA Public Issues Committee Chair and Mayor Chris Roberts, Shoreline; Mayor Mason Thompson, Bothell; SCA City Manager Representative Regan Bolli, Covington.

**Update**
At their April meeting, the SCA Board directed staff to develop a list of principles as to how governments or their agencies should interact with SCA cities regarding the ongoing asylee and refugee crisis. PIC is to review and provide feedback on the list of principles, after which the Board will consider how the language could be used in our regional discussions.

**Background**
Since early 2023, an increasing number of asylum seekers have moved to our region, seeking a better, and in many cases safer, life. The asylee process at the federal level has proven to take far too long for these individuals, resulting in their inability to secure the necessary paperwork to legally work in the United States. This has had a cascading effect on their ability to find and secure housing, healthcare, transportation and acclimation in our communities. Several of our cities, including Tukwila, SeaTac and Kent, are bearing significant, unplanned public service impacts, while simultaneously being unfairly targeted as “anti-immigrant.” The list of principles developed by SCA Executive Director David Hoffman is meant to be the starting point for meaningful advocacy toward a set of solutions for our cities, and just as importantly, our new neighbors who are seeking asylum in our region.

Free Youth Transit Passes

**UPDATE**

**SCA Staff Contact**
Andie Parnell, SCA Policy Analyst, [andie@soundcities.org](mailto:andie@soundcities.org), 206-724-4060

**SCA Regional Transit Committee Members**
Councilmember Joseph Cimaomo, Jr. (Caucus Chair), Covington; Councilmember Janice Zahn, Bellevue (Caucus Vice Chair); Councilmember Susan Honda, Federal Way; Deputy Council President Barb de Michele, Issaquah; Councilmember Ryan McIrvin, Renton; Councilmember Betsy Robertson, Shoreline; Mayor Katerine Ross, Snoqualmie; Councilmember Toni Troutner, Kent; Councilmember Paul Charbonneau, Newcastle (Alternate); Councilmember Neal Black, Kirkland (Alternate); Deputy Mayor Karen Howe, Sammamish (Alternate); Councilmember JC Harris, Des Moines (Alternate).

**Discussion**
PIC members will receive a briefing on King County Metro’s Free Youth Transit Pass and opportunities to engage their constituents.

The Regional Transit Committee and King County Council approved the Free Youth Transit Pass for all King County Metro services, which took effect on September 1, 2022. Youth 18 years and under can ride for free by using a Youth ORCA card, showing a student ID, or just boarding on transit systems across the region. In its first year, King County Metro estimates that more than seven million rides were taken by youth under age 19, and 44,000 Youth ORCA cards were distributed throughout the county.

King County Metro is conducting public engagement for the Free Youth Transit Pass through the Youth Mobility Program, Tap for Transit campaign, Transit Equity Internship, a communications toolkit and a classroom transit education curriculum. Over the next year Metro will be working with stakeholders to overhaul their reduced fare programs, including the Free Youth Transit Pass, to make the programs easier to access and easier to administer.

PIC members can support Metro’s efforts to increase youth ridership by sharing the communications toolkit and youth educational opportunities with their constituents and school districts.

**Background**
King County Metro offers free or reduced fares for low-income and very-low-income people,
seniors, people with disabilities, and children, and youth. The youth fare, for ages 6 through 18 had previously been set at $1.50 for Metro buses, trolleys, transit vans, dial-a-ride vehicles, or streetcars; $3.75 for the West Seattle water taxi route; and $4.50 for the Vashon Island water taxi route. To access the youth fare, Metro had created an ORCA youth card, which also offered these reduced-price youth fares on the services of ORCA’s partner agencies.

In 2022 the State Legislature passed the Move Ahead Washington transportation investment program, which offered transit support grants for transit agencies with a free fare for youth. In response, the Regional Transit Committee and King County Council approved legislation to amend the King County Code to set the transit fare to zero for youth from 6 to 18 for all Metro services. The Free Youth Transit Pass took effect September 1, 2022.

Youth can ride for free by using a Youth ORCA card, showing a student ID, or just getting on board transit systems across King County. King County Metro encourages youth to use Youth ORCA cards, or a school ID card, when boarding transit to help Metro track ridership trends and to minimize fare disputes between youth customers and operators.

From September 1, 2022, through August 31, 2023, King County Metro estimates that more than seven million rides were taken by youth under age 19 on Metro buses. Metro utilized their Youth Mobility Program to spread the word and distribute more than 22,000 Youth ORCA cards at 41 schools. In all, more than 44,000 Youth ORCA cards were distributed in King County.

**Implementation & Engagement**

King County Metro is conducting public engagement for the Free Youth Transit Pass through Metro’s Youth Mobility Program, Tap for Transit campaign, Transit Equity Internship, a communications toolkit and a classroom transit education curriculum.

King County Metro established the Youth Mobility Program in early 2022. The program works with local jurisdictions, schools, community organizations, operators, and young people to promote accessible, sustainable, and safe access to mobility options. The Youth Mobility Program has engaged in various activities to increase youth access to transit, engage in education and outreach, empower youth leadership, and create career exposure and internship opportunities with the goal of improving youth mobility.

In 2023, King County Metro launched a “Tap for Transit” media campaign that encourages all transit users, especially youth, to tap their ORCA cards every time they board. Each tap provides

---

1 To qualify for an ORCA LIFT card, a person’s gross household income (before taxes are taken out) must be no more than 200 percent of the federal poverty level as established by the U.S. Health and Human Services Dept; The Regional Reduced Fare Permit (RRFP) gives riders ages 65+, riders with disabilities, and Medicare card holders reduced fares on participating transit agencies in the Puget Sound area. Youth 18 and younger can order a free Youth ORCA card here. When cardholders turn 19 years old, their registered Youth ORCA card will automatically convert to an Adult ORCA card.

Item 8
Metro with data used to improve Metro services. For example, more taps at a specific location or at a certain time of day can indicate to Metro to increase service at that location.

King County Metro hosted its second annual Youth Transit Equity Internship in July 2023. The internship program is for youth ages 15-18 interested in public transit and community leadership. Transit Equity Interns become peer ambassadors of transportation resources, explore career pathways within Metro, and build skills and knowledge of transit, urban planning, climate justice, and local government. Transit Equity Interns participate in workshops, field trips and conversations with decision-makers.

King County Metro recently published a communications toolkit to help spread the word about the Free Youth Transit Pass and increase youth ridership. The toolkit is free to download and includes social media post templates, an email blast template, and flyers.

The Youth Mobility Program has developed and tested several transit education curriculum modules for youth in grades 2-5 and 6-12 in partnership with local schools. Educators and youth-serving organizations are welcome to use these materials with students in any capacity. At the end of the 2023-2024 school year, and into the 2024-2025 school year and beyond, Metro will expand partnerships to implement this curriculum in more school districts and areas, with an emphasis on middle and high schools.

King County Metro estimates that youth make up about 8-12% of their ridership. However, data quality about youth ridership is inconsistent and most youth riders do not regularly use an ORCA card. To overcome these challenges, King County Metro is exploring future options for digital fare media and developing new ways to measure youth ridership and program impact including observational counts, school surveys, and qualitative feedback. King County Metro will also continue to conduct qualitative youth research and observational studies at select bus stops serving schools, to help understand how students’ engagement with transit changes over time.

In 2023, Metro led a regional advertising campaign with partner agencies for the Free Youth Transit Pass, which led to over 22 million total impressions (or ad views) just within that few weeks period. The campaign’s goal was to raise awareness that youth can ride transit for free and encourage youth to try transit and obtain a Youth ORCA card. Metro and their partner agencies are developing the next iteration of a Free Youth Transit Pass regional marketing campaign for the 2024-25 school year.

**Next Steps**

Local leaders and agencies can support Metro’s efforts by amplifying key messages to internal and community networks such as:

- Sharing the communications toolkit and promoting use of transit education curriculum materials through any existing relationships with schools and educators;
- Empowering youth to share information with their peers; and,

PIC Operating Policies Committee Members
Mayor Chris Roberts, Shoreline, SCA PIC Chair; Councilmember Joseph Cimaomo, Jr., Covington, SCA PIC Vice Chair; Councilmember Melissa Stuart, Redmond; Councilmember Tola Marts, Issaquah; Councilmember Lydia Assefa-Dawson, Federal Way

Update
During the March PIC Meeting, Chair Roberts asked for volunteers to serve on a committee to review the operating policies of PIC. Since then, the committee has met four times, and is asking for feedback on the proposed changes to the operating policies, as shown in (Attachment A) Following the discussion at the May 8 meeting, the committee will meet to consider any further amendments suggested by PIC members, and bring an updated draft back for consideration by PIC at the June 12 PIC meeting.

Background
The PIC Operating Procedures have not been updated since 2012 and given the number of substantial changes to our meeting and communication practices, especially since the beginning of the COVID pandemic, a refresh of the document was in order.

Next Steps
The committee will meet again to discuss any further amendments offered by PIC members, and an updated draft will be brought to the June PIC meeting for consideration and possible action. Please send policy ideas to SCA Executive Director David Hoffman at david@soundcities.org or 206-910-9246.
